

# Information Request for Physicians

---

Should you need more information on Harmonic technology, would like to attend a course or meet with an Ethicon Endo-Surgery representative please contact the EES Customer Support Center

The Customer Support Center is your portal to our Customer Care Process, providing around-the-clock service and support for a wide variety of products from within the Johnson & Johnson Medical Device & Diagnostic sector.

We provide U.S. and international customers with direct access to a healthcare professional 24 hours a day via:

**Phone:**

1-800-USE-ENDO (873-3636) or  
1-513-337-8901 (for outside the U.S.)  
Fax: 1-513-337-7912

**Email:** [customersupport@eesus.jnj.com](mailto:customersupport@eesus.jnj.com)
